EXAMINER'S AMENDMENT

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Eric Grondahl on March 13, 2007.

Claim 23 has been cancelled.

Reasons for Allowance

The following is an examiner's statement of reasons for allowance:

The prior art of record disclose a treatment process for a mix of materials originating from residues from grinding of consumable articles at the end of their lives into fragmented form comprising mechanical separation by screens, aeraulically separating by gas flow, and grinding one of the fractions.

However, the prior art of record does not disclose or render obvious all of the details of the limitations of independent claim and, in particular, a treatment process for a mix of materials originating from residues from grinding of consumable articles at the end of their lives into fragmented form in accordance with the detailed series of separation process comprising a) mechanically separating by screening to at least
